

UX Design Cheat Sheet

-Programs, Courses, Blogs & Reviews

Free Courses & Reading

Careerfoundry- A 6 Day Email course with a 15 minute read every day. [Click here](#) to register and learn more

Invision App- Invision has released a free book on the Principles of Product Design, which you can read online. [Click here](#)

Careerfoundry - Here they have made a series of 6 small introductory videos, with a little quiz at the end and if you score above 70% you get a 5% discount on their paid courses. [Click here](#)

[Introduction to UX Design by Georgia Tech University](#)- this course is completely free divided in 5 weeks & 6 hours of content to watch

Digital Skills: UX Design by Accenture- this mini-course has 3 weeks [Click here to check out](#)

Blogs

1. [UX Planet on Medium](#)- A collection of independent UX writers.find everything in the same space
2. [UX Collective](#)- is an independent design publication and blog built to elevate unheard design voices all over the world. Curated stories on user experience (UX), visual, and product design
3. [Interaction Design foundation](#)- Blog On Medium
4. [NNG group](#)-Blog by Don Norman & Jacob Nielsen
5. [Good UI](#)- An overwhelming list of everything UI
6. [Design Lab](#) - “Mentor-led, online design education platform with a focus on quality and outcomes”.Design lab also offers a lot of design-centric courses you can check out.

Youtube

[AJ & Smart](#)- They are a product design and innovation studio based in Berlin. Have tons of resourceful videos on UX and UI.(they're also very entertaining to watch)

[CharlieMarieTV](#) - This one is my personal favorite, it's a personal vlog channel about life as a UX designer. Charlie works at ConvertKit which is a marketing automation platform

[Awwwards](#)- I'm sure you already know this :) If not it's like the TED Talks of UX & Product design. They also host a ton of Website reviews and Youtube lives. You can use their blog to find inspiration and they also have a bunch of [freebies](#) ie e-books that you can read download from Typography, web design to AI
